

With the flavour  
of salt, wind  
and sun

Have you already done a series of beautiful small embroideries: Lighthouses, Mills, Bridges?.....

In the continuation of your favourite collections, we offer a series of 11 small cross-stitch kits «With the flavour of salt, wind and sun!».

Embroidering stories about the sea, it seems that they, like turquoise waves, play and shimmer in the sun with bright highlights and shades of DMC floss.

The sea fascinates and excites! It is calm, and stormy, and gentle, and strong. But the main thing is that the sea is alluring...

This collection contains 11 very beautiful embroideries about the sea and love, sea sunrises and orange sunsets, about ships, about seagulls, about boat trips and dreams.....

You can assemble and embroider the entire collection, you can choose your favourite designs, but you will definitely get a lot of pleasure!
